Course Description

Diploma of Salon Management (SHB50216) is designed for people working in the personal service business who want to improve the operations of their salon and become more effective with employing staff, coordinating and leading teams, developing and implementing marketing activities and ensuring that occupational health and safety requirements are maintained. This applies to hairdressing or beauty salons, barber shops and spas.

Successful students will graduate with a nationally recognised qualification which can be used to seek employment or further their skills as a Salon Owner or Manager.

To fulfil the requirements of this qualification, students are expected to undertake some practical industry experience within a personal services environment, this is available to students at the Clip Joint Education Salon. Please note you may be required to complete some of your industry practice outside of your scheduled course hours.
